for Hospitals and Healthcare Providers

Message from the Management

“A Vision of Care. A Commitment to Excellence.”

At Akash Hospital, we believe that healthcare is more than just treating ailments—it’s about transforming lives and fostering well-being at every step. Guided by the values of compassion, trust, and innovation, we have built a state-of-the-art healthcare institution that serves as a beacon of hope for our community and beyond.

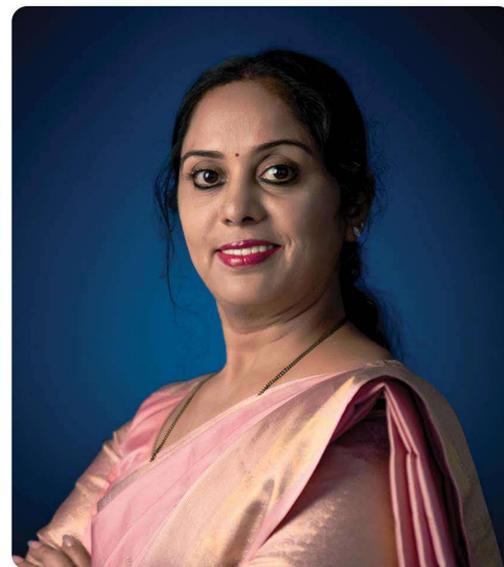

As part of the Akash Group of Institutions, our mission extends beyond providing world-class medical care. We aim to create an environment where patients feel heard, cared for, and supported by some of the finest healthcare professionals in the country. Our cutting-edge technology and strategic location near the international airport enable us to cater to local and global healthcare needs with unmatched efficiency.

We are grateful for the trust placed in us by patients, families, and corporate partners. This trust fuels our relentless pursuit of excellence in every aspect of care. Together, let us build a healthier, happier future.

Warm regards,

Shri K. Muniraju

Akash Group

"Inspiring Excellence. Empowering Lives."

Akash Group of Institutions is where vision meets action. For over 15 years, we've been redefining education across disciplines—Medicine, Engineering, Nursing, Physiotherapy, Pharmacy, Allied Health Sciences, Arts, Management, Computer Applications & beyond.

Our legacy is built on empowering thousands of students every year with knowledge, skills, and a drive to lead. From world-class academic programs to an international school with Global curricula, Akash Group stands at the forefront of holistic learning.

With Akash Hospital, we've extended this legacy into healthcare, bridging education and care with a singular purpose: to transform lives.

Akash Hospital

"Where healthcare meets compassion."

At Akash Hospital, every aspect of care is thoughtfully designed with one goal: to put you first.

From the moment you step in, you'll experience world-class healthcare rooted in compassion and driven by innovation. With 950 beds, advanced diagnostics, and expert-led specialties, Akash Hospital is equipped to address the most complex medical needs with precision and care.

Strategically located just minutes from Bengaluru International Airport, we provide seamless access for patients near and far. Whether it's a life-saving procedure or routine care, our commitment remains the same: to empower you with the best possible outcomes. Here, your health is our mission, and your care is at the heart of everything we do.

Why Choose Us?

"Expert Care. Advanced Innovation. Designed Around You."

World-Class Expertise:

Our team of specialists combines years of experience with a relentless commitment to excellence. At Akash Hospital, you're in the hands of leaders who inspire trust and deliver results.

Cutting-Edge Technology:

From roboti surgeries to advanced diagnostics, we integrate the latest innovations to provide precision care. Every service is built around your needs and powered by modern healthcare solutions.

Strategic Location:

Located just 5 minutes from Bengaluru International Airport, we are uniquely positioned to serve patients from near and far. Whether it's an emergency or planned care, we are always within reach.

More than just care—our mission is to inspire lasting wellness and empower healthier lives.

Care You Can Count On

SPECIALISED CARE

Neurosciences Centre

"Rewiring Hope. Restoring Lives."

Advanced Neurology:

- 24/7 emergency care for stroke and neurological crises.
- Cutting-edge diagnostics, including EEG, EMG, and neuroimaging.
- Clinics for epilepsy, memory disorders, and stroke rehabilitation.
- Comprehensive neurorehabilitation programs designed to restore mobility and independence.

Precision Neurosurgery:

- Minimally invasive brain and spine surgeries.
- Advanced treatments for brain tumours, epilepsy, and spinal disorders.
- Specialized pain management and endoscopic surgical solutions.
- Stroke interventions using arterial thrombolytic therapy and endovascular surgery.

Oncology

"Defeating Cancer with Expertise and Compassion."

Comprehensive Cancer Care:

- Medical oncology for solid tumours and blood malignancies, including advanced chemotherapy and targeted therapies.
- Surgical expertise for GI, breast, and gynaecological cancers, with organ-preserving procedures.
- In collaboration with Cytecure we offer Radiation oncology using teletherapy and brachytherapy for precision treatments.

Holistic Support for Patients:

- Breast rehabilitation, pain management, and palliative care services.
- Fertility-preserving therapies for gynaecological cancers.
- Community cancer screening and awareness programs for early detection.

Accident and Emergency

"Around You, Around the Clock"

- 24/7 Emergency Services: Immediate care for accidents, strokes, trauma, and other critical emergencies.
- Rapid Response Units: Fully-equipped ambulances with trained paramedics for on-the-spot care.
- Specialized Trauma Care: Dedicated teams and facilities for managing severe injuries and critical trauma cases.
- Proximity Advantage: Located just minutes from Bengaluru International Airport, ensuring seamless access for patients in need of urgent care.

Critical and Intensive Care

"Advanced Care for Life's Most Critical Moments."

- 24/7 Specialized Monitoring and Life Support: Equipped with ventilators, dialysis, and advanced hemodynamic systems for continuous care.
- Multispecialty Collaboration: Seamless integration with cardiology, neurology, nephrology, and other specialties for holistic treatment.
- Smart NICU in Collaboration with CloudPhysician: State-of-the-art neonatal intensive care with expert monitoring and support for newborns.
- Post-ICU Recovery Plans: Personalized rehabilitation and transition strategies to ensure long-term recovery.
- Family-Centred Care: Dedicated counselling and regular updates for families, prioritizing trust and transparency.

Advanced Cosmetology clinic

"Enhancing Beauty, Restoring Confidence."

At Akash Hospital, our Cosmetology Centre combines expertise with advanced technology to offer personalized aesthetic solutions. Every procedure is designed to deliver natural, lasting results with minimal downtime, ensuring unparalleled patient satisfaction.

Key Offerings:

"Where innovation and precision come together for you."

Preventive Care

"Stay Ahead of Health Challenges with Preventive Care."

Prevention is more than a choice—it's a commitment to a healthier, happier future. At Akash Hospital, we bring you advanced preventive care services that not only detect risks early but also empower you to take control of your well-being.

What We Offer:

- Tailored Health Packages:**
 Comprehensive packages for individuals, families, and corporates, catering to all health needs with precision and care.
- Advanced Screening Programs:**
 Early detection for diabetes, hypertension, cardiac risks, and other chronic conditions.
- Personalized Wellness Solutions:**
 Expert-led programs for weight management, stress reduction, and overall wellness.
- Dedicated Vaccination Centre:**
 A fully-equipped centre offering immunizations for children, adults, and high-risk groups. Special focus on travel vaccinations and seasonal immunization drives.
- Corporate Wellness Initiatives:**
 Health programs tailored to enhance workforce productivity and morale.

"Prevention today ensures a healthier tomorrow."

Rehabilitation Centre

"Restoring Mobility. Reviving Lives."

At Akash Hospital's Physiotherapy and Rehabilitation Centre, our mission is to empower patients to regain strength, independence, and quality of life. Combining advanced therapeutic techniques with personalized care, we provide comprehensive solutions for recovery and pain management.

Key Services:

- Orthopaedic Rehabilitation:** Recovery for fractures, joint replacements, and musculoskeletal injuries.
- Neurological Rehabilitation:** Therapy for stroke, spinal cord injuries, and neurological conditions.
- Sports Injury Rehabilitation:** Programs for athletes recovering from ligament tears, sprains, and joint issues.
- Pain Management Therapies:** Advanced techniques like ultrasound, manual therapy, and TENS for chronic pain relief.
- Geriatric and Paediatric Rehabilitation:** Specialized care for elderly and young patients to enhance mobility and functional growth.

"Empowering you to move freely and live fully."

Executive Wellness Centre

"Elevated Wellness. Personalized Care."

At Akash Hospital's Executive Wellness Centre, we offer an exclusive healthcare experience tailored for those who value privacy, comfort, and personalized attention. Designed to provide a seamless and efficient journey, our premium services ensure every detail of your care is handled with precision and sophistication.

Key Features:

- **Tailored Health Packages:** Comprehensive evaluations customized to meet individual wellness goals.
- **Fast-Track Services:** Priority access to specialists, diagnostics, and treatments.
- **Luxury Amenities:** Private lounges, dedicated coordinators, and bespoke services for maximum comfort.
- **Preventive Health Focus:** Early detection programs to proactively manage health risks.
- **Lifestyle Coaching:** Expert guidance on stress management, nutrition, and fitness tailored to enhance your lifestyle.

**"Your health, your way
- experience care without
compromise."**

In-Patient Services

"Where Comfort Meets Care."

At Akash Hospital, our in-patient services are designed to offer more than just treatment—we provide a nurturing environment that prioritizes your comfort, privacy, and well-being. From personalized support to state-of-the-art facilities, we're here to make every moment of your stay as comfortable as it is effective.

Key Features:

- **Spaces Designed for Healing:** Spacious, air-conditioned rooms with smart TVs, high-speed Wi-Fi, and ergonomic, tech-enabled furniture for comfortable stay.
- **Exceptional Nursing Care:** A dedicated team providing compassionate, round-the-clock support.
- **Nourishment That Heals:** Customized meals crafted by expert dietitians to match your nutritional needs and recovery plan.
- **Patient Coordinators:** Patient coordinators available at every step to manage your needs and simplify communication.
- **Comprehensive Facilities:** Access to on-site pharmacy, diagnostic services, and rehabilitation support for holistic care.

**"Experience care in an
environment built around you."**

Geriatric Care

"Compassionate Care for Every Stage of Life."

At Akash Hospital, we understand the unique healthcare needs of older adults. Our geriatric care services are designed to provide comprehensive support, ensuring dignity, comfort, and independence for our elderly patients. From managing chronic conditions to enhancing mobility and overall well-being, we are committed to delivering care that enriches every stage of life.

Key Features:

- Specialized Geriatric Team:**
 Experts in managing age-related conditions, including arthritis, osteoporosis, and dementia.
- Comprehensive Health Evaluations:**
 Tailored assessments to monitor overall health and detect potential risks early.
- Rehabilitation and Mobility Support:**
 Customized physiotherapy and rehabilitation programs to enhance strength and independence.
- Chronic Disease Management:**
 Coordinated care for hypertension, diabetes, heart disease, and other long-term conditions.
- Emotional and Psychological Support:**
 Holistic programs addressing mental well-being, including counselling and cognitive therapies.

Why Choose Geriatric Care at Akash Hospital?

- Multidisciplinary team focused on elder care.
- State-of-the-art facilities for diagnostics, rehabilitation, and continuous care.
- A compassionate approach that prioritizes the dignity and comfort of every patient.

"Because every moment deserves care that matters."

What Our Corporate Partners Say

I extend our gratitude for the exceptional healthcare services provided by AKASH Hospital. Our employees have shared positive feedback, highlighting the professionalism, care, and prompt attention they received.

Deepak
Admin, Bekem Company

"We extend our heartfelt gratitude to Akash Hospital for their exceptional service and unwavering support during critical times. Their provision of ambulances, skilled nursing care, and timely emergency assistance has been invaluable. The professionalism and dedication of their team have consistently ensured the best care for those in need. Thank you for being a reliable partner in safeguarding health and well-being."

Achala B S
Administrator, Food Sats

What Our Patients Say

"Akash hospital which is in Devanahalli, is one of the best hospitals I have seen in and around Bangalore. The treatment is good, the ambience, surroundings and atmosphere is good and peaceful. All the doctors are experienced and treated well. The hospital also has its college, where students work their internship. Overall the hospital is good."

ShivaKumar Kodabagi

"I had very smooth recovery in the surgical ward at akash hospital the room was spacious and clean, and the meals were surprisingly delicious. The nurses were attentive and the doctors made frequent rounds to check on my progress. The entire experience was positive and I would highly recommend this hospital."
